

NEW FOREST ACCESS FORUM

Meeting: *Monday 06 June 2016*

Agenda Item 3: *Chair's Report*

1. Coastal Access Consultation Event 21.04.16

I attended the last of the consultation events held by Natural England in the New Forest. This was at New Milton. It was advertised as a drop in event but as a result of experience at the first event a presentation was given. Following this maps were available for perusal and 4 Natural England staff were available to answer questions.

In New Milton the event was attended by approx 35 members of the public.
The response from the public was positive.

2. Local Access Forum Survey

This was the second of 2 surveys being conducted by Natural England. Completion by the Chair and LAF Secretary was required.

I completed the survey with Petronella and submitted it online. There was a similarity between the questions on the 2 forms.
