

## **NEW FOREST ACCESS FORUM**

**Meeting:** *Monday 7<sup>th</sup> September 2020*

### **Agenda item 3: Chairman's Report**

Chairman's Report.

#### **1. Recreation Strategy.**

An Advisory Group meeting took place via Microsoft Teams on 11th August.

The strategic actions outlined in the plan were reviewed.

The issues of enforcement and Local Development Orders were considered.

There was some discussion as to the "role and remit" of the group. A new member of the group thought that the advisory group should have more influence on the Steering Group.

The Steering Group meets again in early September and the Advisory Group will meet soon afterwards.

#### **2. New Forest Freshwater Wetland Restoration.**

Two meetings have taken place in August via Zoom. The first reviewed the work to date and the second meeting was devoted entirely to evidence and monitoring.

Further information related to this is expected.
